Below is a list of Girl Scouts of Swift Water Council properties. To be the proud wearer of a Super Trooper Camper patch you must:

- Weekend Camp (2 nights) at 2 different sites
- Overnight Camp (1 night) at 3 different sites
- Day visit all other sites (i.e.: picnic or barbecue)

These are **minimum requirements** - you may choose to do more. Perhaps you could complete a Service Project at each camp property. For example, you could collect and stack firewood, clear trails or pick up trash.

Girls may receive credit for day, resident, family or troop camping at Girl Scouts of Swift Water Council owned sites. Contact your Service Unit Manager for a Troop Camping Application to reserve a site.
